

DUROXITE® PIPE DIMENSIONAL PROGRAM

Duroxite® 100 and 200 Pipe

The hardfacing overlay pipe is designed with extreme wear capabilities for working in the most severe environments. Overlay Pipe can be fabricated as square-to-round transitions, elbows, T or Y-shaped, or as long sweeps. Other plate sizes and custom thicknesses can be produced upon request. More information can be found in the Duroxite® Product brochure, on ssab.com or by consulting your local technical support representative.
